RE: FACE MASK DONATION

Dear Britta and Share-A-Craft Members:

We cannot thank you enough for your willingness to jump in and assist our fire department with the making of face masks for our fire department members. These masks will allow our staff to extend the life of their N95 masks which are in short supply.

We are grateful for the hours you all spent sewing the masks, verifying they were of a sufficient dimension to completely protect the N95 masks and providing the materials to make them.

We appreciate your sacrifice for us!

Again, THANK YOU!

Sincerely

Lori Dalton
