

Recently the Bradenton Herald did a short video of Michael Bennett, Manatee County Supervisor of Elections, explaining Vote By Mail. We are reaching out to you today to ask that you please place the link (below) onto your facebook or webpage to help get the word out to voters in Manatee County about Vote By Mail.

During this time, we are encouraging all voters to request a Vote By Mail ballot as an insurance policy – a backup plan, in case they are unable to get to their voting site this August and November election time. Please review the video on the link below for more information.

We encourage everyone to assist us by giving this information to our voters so they have the choice of staying home to vote if they choose or *need* to do so. Thank you for your assistance and support at this time.

Here is the Link to the Vote By Mail video on the Bradenton Herald site.
