RE: MOBILE DATA TERMINALS

Dear Auxiliary Members:

The Trailer Estates Fire Control District Commissioners would like to again thank every Auxiliary Member for their dedication to supporting the fire department. Immediately following the donation for firefighter physicals, it was necessary to ask for assistance with the purchase of Mobile Data Terminals for \$11,190.00. These terminals (computers) will allow members to quickly and safely approach residents for assistance while being able to stay safe themselves as current data on the changing information the 911 operators are able to acquire is shared.

We appreciate your quick response to this need! We realize the hours performed by each Auxiliary member to make this a reality. I can't say it often enough how much both the commissioners and our volunteers greatly appreciate knowing how willing you are to work hard and support them and keep them safe.

Thank you, Thank You, THANK YOU!

Sincerely

Lori Dalton
