

The Commissioners of TEFCD, after weeks of evaluation, voted unanimously on Friday, May 7, 2021 to move towards closure and supports a Voluntary Merger with Cedar Hammock Fire Rescue.

Why?

- 1) To provide the quickest responses to your calls for medical assistance (lack of membership).

Cedar Hammock has agreed, without hesitation, to respond to our medical calls.

- 2) Because we are no longer able to support our fire department financially.
